SUMMARY & PURPOSE:

To describe the purpose of the Code of Ethics as well as defining each employee's access to and responsibility under the Code.

POLICY:

Baptist Health's Code of Ethics is a key component of the Corporate Compliance Program. It reflects the core values and principles that guide Baptist Health operations.

SCOPE/APPLICABILITY:

All owners, officers, directors, and employees of South Miami Hospital; all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of South Miami Hospital, excluding vendors whose sole connection with South Miami Hospital is selling or otherwise providing medical supplies or equipment to South Miami Hospital; and all physicians and other non-physician practitioners who are members of South Miami Hospital's active medical staff.

PROCEDURES TO ENSURE COMPLIANCE:

The Code of Ethics:

- Establishes a code of ethical and legal conduct, standards and procedures to be followed by all employees;
- Communicates to all employees the standards and procedures they are expected to follow;
- Clarifies methods of reporting issues and concerns within the corporate structure in order to prevent, detect and correct violations of laws, regulations and corporate policies that would detract from Baptist Health's Code of Ethics;
- Documents Baptist Health's commitment to the highest ethical and professional standards.

All employees are required to adhere to the principles set forth in the Code of Ethics.

Failure to comply with the Code is a serious matter that may lead to disciplinary action up to and including termination and/or legal prosecution.

The Code is distributed to each new employee during New Employee Orientation.

The Code is updated and distributed periodically to all employees, medical staff members, Board members and vendors.

The Code is available to all employees on the intranet.

The Code is available to the public on the internet.
