### **A Reputation for Medical and Service Excellence**

Baptist Health South Florida has one of the largest hospital-based international programs in America. Our multilingual staff is trained to personally assist you with your medical and travel needs. For more than 50 years, Baptist Health has stood for the highest quality healthcare in South Florida, featuring one of the largest hospital-based international programs in the U.S. Baptist Health ranks among the best hospitals in the U.S. according to government health studies and rankings systems like U.S. News & World Report. Thousands of people each year travel to Miami from around the world to visit Baptist Health's respected physicians and medical facilities. Baptist Health is recognized by accrediting and rating agencies as a world-class healthcare provider, with top scores for overall surgical care, patient safety, and patient satisfaction. Visit our [International Services](#) page for more information.
