College Student Volunteer Requirements

- Being 18 years old or older, and currently attending a college or a university
- Having the ability to speak and read basic English
- Completing and submitting an application
- Scheduling an interview with Doctors Hospital Volunteer Services
- Being tested for tuberculosis
- Providing two reference letters, one written by a school official (teacher, advisor, a member of the clergy, current or former employer or from any other professional who is familiar with the student’s character and abilities.)
- Consenting to a background check
- Completing an orientation session
- Committing to a minimum of one 4 hour shift per week and 50 hours of service per semester. We cannot provide written or verbal confirmation of volunteer service hours until the minimum requirements are completed.
