Requirements to become an ADULT VOLUNTEER

Our group of adults (18 and older) is formed by people with the desire to make a difference in the community: retirees, stay-at-home moms and dads, as well as professionals and people with free time to devote to volunteer work.

The requirements to become an Adult Volunteer at South Miami Hospital are:

- Complete and submit an application
- Schedule an interview with South Miami Hospital Volunteer Services
- Attend an orientation session
- Provide one reference letter
- Consent to a background check
- Be able to speak and read basic English
- Complete a self study
- Be tested for tuberculosis
- Receive an influenza vaccination
- Commit to work a minimum of 2 to 4 consecutive hours per week, always on the same day and time, for at least 6 months.

Most of our volunteer openings are on weekdays, between 7 am and 5 pm.
