Other Resources

If you wish to complete your continuing education relicensure requirements by using other resources, the Continuing Medical Education Department suggests some options that are available to the public.

Physicians:

- InforMed offers a Florida Physician Update that includes Prevention of Medical Errors and HIV/AIDS Update. Physicians can choose the specific courses they need, and costs vary, starting at $10 for 1-2 credits. The course(s) can be taken online at www.informed.cme.edu.

Psychologists:

- Program Services offers continuing education programs for professionals in psychology online or as a home study. The fees vary depending on the number of courses selected; the average cost is $10 per credit (10/12/11). To access additional information, please visit the website at www.programservices.org.

For additional information, please contact the Baptist Health Continuing Medical Education Department at 786-596-2398 or cme@BaptistHealth.net.
