Educational Objectives
Upon completion of this conference, participants should be better able to:

- Describe issues regarding the identification of children with autism.
- Analyze outcomes of high-risk infants.
- Identify the behavioral development of autistic symptoms in high-risk infants and factors in early intervention with autism.
- Review approved pharmacological treatments for autism and new experimental pharmacological approaches that could be of relevance for autism.
- Measure the impact of oxytocin and its roles in biology with special focus on the possible relevance to autism.

Accreditation Statements and Credits
Baptist Health South Florida is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Baptist Health has been re-surveyed by the ACCME and awarded Commendation for 6 years as a provider of CME for physicians.

Baptist Health South Florida designates this live activity for a maximum of 3 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been approved for 3 credit hours, CE Broker Course #20-545772, by the Florida Boards of Medicine and Osteopathic Medicine.

This activity has also been approved for 3 credits for Nursing, Pharmacy, and Occupational Therapy. Baptist Health South Florida CE Broker Provider #50-182.

Parking
Special event parking will be available through the entrance to Miami Cardiac & Vascular Institute (MCVI), located on the south side of the Baptist Hospital campus. Approach from SW 94 Street (accessible from SW 87 Ave.). At the first Baptist Hospital sign, turn right and make an immediate right towards the Miami Cardiac & Vascular Institute Parking Garage. Take the MCVI main entrance elevators to the third Floor and follow the signs to the Auditorium.
