Baptist Health Bethesda Hospital East
2815 South Seacrest Blvd.
Boynton Beach, FL 33435

Dear Patient,

We are writing to let you know that Bethesda Hospital, part of Baptist Health, will discontinue pediatric rehabilitation services effective August 21, 2026. This change includes services at Bethesda Hospital East, Baptist Health City and the Wellington office.

To help ensure families continue to have access to specialized pediatric therapy services, we will support patients and families in transitioning care to community providers offering pediatric rehabilitation.

Continuity of care will be fully supported. Our team will provide guidance on scheduling, referrals and transferring medical records to a new provider. Enclosed is a list of nearby pediatric rehabilitation providers to help you identify options for continued care.

Our team is making every effort to ensure that all existing appointments through August 21 remain unaffected.

To obtain a copy of your child's medical records or transfer records to another provider, please visit BaptistHealth.net/MedicalRecords.

If you have questions or would like assistance with next steps, please call us at 561-737-7733, ext. 84402. We appreciate the opportunity to have cared for your family and remain committed to supporting you through this transition.

Sincerely,

Melissa P. Emerson
