

SUPERVISOR SUPPORT FORM

_____ hereinafter referred to as “Applicant,” is currently employed by: _____

and serves in the role of _____

Applicant reports directly to me in the following manner: _____

I have reviewed the qualifications below needed to participate in the Knight Foundation Fellowship for Healthcare Technology Innovation at Baptist Health South Florida, and verify that, if selected, we are committed to supporting the applicant in the 2021-2022 Fellowship Program.

I understand that time will be required away from work to successfully participate in the Fellowship, at an estimated 12 hours per month, and have thoroughly reviewed the schedule attached to this form.

My signature below verifies that I endorse and support this application.

Sincerely,

Supervisor Signature

Applicant Eligibility Requirements

All applicants must possess the following in order to be eligible for this program:

- full time employment
 - If you are an internal applicant, you must have an annual performance evaluation score of 3 or higher
- a bachelor's degree or higher
- at least 3 years of professional experience or graduate-level work
- support from your immediate supervisor, confirmed within a signed *Supervisor Support Form*
- the ability to commit to 12 hours each month for a 10-month program
- the ability to attend all sessions as outlined in the Fellowship schedule below
- consent to being photographed and video-recorded for fellowship content
- ability to travel to locations in Miami-Dade County for seminars (current events permitting)
- a dedication to attendance for fellowship sessions for future cohorts, participating in the final session and reception in June each year, and possibly participating in interviews regarding the fellowship program
- Optional: It is recommended applicants come with a novel concept for a product or solution that provides subject material for the experiential learning process, but it is not mandatory.
