Things to Know About Mobile Mammography

Insurance

- Annual screening mammograms are covered for patients ages 40 and over
- Mammogram will be billed to patient's insurance company
- Financial assistance for those who qualify
- Patients under 40 are responsible for verifying insurance coverage prior to making appointment

Protocol for Scheduling

- We require a minimum of 10 scheduled appointments at least 7 business days before the screening date
    - If the patient minimum is not met by the deadline, the mobile visit will be subject to cancellation
- Lynn Women's Institute provides screening results within 3 business days

Scheduled Screening Date & Time

- MammoVan will arrive 30-45 minutes prior to event start time
- Patient must bring valid ID, insurance card, and copies of your previous mammograms to the appointment
- Scheduled appointments are required

Site Requirements

- Site must provide a designated contact (Site Coordinator) to assist with screening logistics and site coordination
- Parking the MammoVan requires a flat, paved surface that is approximately the size of 9 parking spaces
    - Cannot be parked on grassy area, in a fire lane, handicap parking spaces, or blocking flow of traffic
    - Cannot be parked under low-hanging tree branches
    - Cannot maneuver up steep hills or ramps
- Restrooms must be available for our staff during the event

Promotion

- The Pressel MammoVan will provide marketing materials to promote the event
- The Site Coordinator distributes flyer (printed and via email) to employees at least 60 days prior to scheduled event date
- Raffle prizes for making appointments are encouraged to help with increased participation
- One-week prior to event minimum of 10 appointments must be confirmed
